# Food Packaging PET hinged lid food containers

## Katermaster Pet Hinged Lid Containers

Katermaster's range of hinged lid food containers are now environmentally friendly, strong, resistant to fats and oils yet still has excellent clarity, what better way to protect and present food

- High clarity for enhanced food presentation
- Variety of sizes to suit varied foods
- Ribbed construction for greater strength
- Recyclable, non-toxic, stackable, hinged lid

PET is Australia's most environmentally friendly plastic. It is disposable via local council, household and community kerb-side recycling programs. This recyclable plastic is easily reconstituted into a variety of practical applications, including furniture and clothing.
